Prayer for the sick

Dear Lord, you know them so much better than I do. You know their sicknesses and the burdens they carry. You also know their hearts. Lord, I ask you to be with them now, working in their lives. Let your will be done in their lives. If there is a sin that needs to be confessed and forgiven, Lord, please help them to see their need and confess. Lord, I pray for them because your Word says I should pray for their healing. I believe you hear this earnest prayer from my heart and that it is powerful because of your promise. I have faith in you to heal them, but I also trust in the plan you have for their lives. Lord, I don't always understand your ways, and why they have to suffer, but I trust **you**. I ask that you look with mercy and grace toward them. Nourish their spirits and souls in this time of suffering and comfort them with your presence. Let them know you are there with them through this difficulty. And may you be glorified in their lives and also in mine. Amen.
